PATENTS

Three-dimensional representations of routes
Patent # 11585672 | Issued Feb 21, 2023
Palantir Technologies

Workflow application and user interface builder integrating objects, relationships, and actions
Patent # 11500620 | Issued Nov 15, 2022
Palantir Technologies

AWARDS

1st place at VR Virtual Fantasy Award
Laval Virtual, France | 2015

2nd place at The Service Design Award
Prix du design de service, France | 2015

2nd place at Service Design Appathon
UniCredit, Germany | 2015

WORK EXPERIENCE

Palantir Technologies | Product Design Lead
Palo Alto, CA | Since 2020

Led product design for the Foundry Objects org (the org overarching the product teams for Foundry Ontology Manager, Foundry Carbon, Foundry Workshop, Foundry Hubble, Foundry Quiver, Foundry Object Explorer, Foundry Decisions Suite, Foundry Scenarios, Foundry Mobile and Foundry Use Cases).

Also worked as a product design lead on Foundry AI/ML.

Palantir Technologies | Product Designer
London, United Kingdom | 2017 – 2020

Founding product designer for the following products:
- Foundry Workshop (application builder for business-workflows)
- Foundry Decisions Suite (operations for business-users)
- Foundry Scenarios (what-if simulations for business-users)
- Foundry Ontology Manager (ontology builder and manager)
- Foundry Carbon (workspace experience for business-users)
- Foundry Use Cases (workspace experience for workflow-builders)

Also owned product design for the following teams:
- Foundry Hubble (explorer for ontology-shaped data)
- Foundry Quiver (time-series analytics)

Founder (Thedirectory.io + Bitcallz) | Product Designer & Developer
United States and Europe | 2015 – 2018

• Thedirectory.io was a collaborative directory of worldwide design agencies with 35,000+ users on the first month and 500+ sign ups on the first 3 days.

• Bitcallz was a cryptocurrency prediction platform.

Contracting | Product Design & Development
Since 2012

EDUCATION

Master of Design (MDes) | 2017
L'École de Design Nantes-Atlantique | France

Master of Research in VR Engineering (MS) | 2017
École Nationale Supérieure d'Arts et Métiers | France

Bachelor of Design (BA) | 2015
L'École de Design Nantes-Atlantique | France
